Constantius remained at Edessa,
a Roman city for a long time since the
Parthian (Persian) monarch continually
postponed admitting him.

When Perzes [Perz] was reigning
in Persia (453-482) an embassy came
from the monarch of the Persians (Posthumus)

The Persian religion was a form of sun or
Fire worship and MAZDA was their god
It was fitting, the Persians said, that
the Romans should help with money
with war against the Huns, who
were called KIDARITES or EPH TALITES
The Roman answer was that they

would send someone to confer with the
Partisan members concerning these points.
This was sent to the Parson. He had
attained the dignity of a 3rd ~~partisan~~
and in addition a number rank had
attained the dignity of 3rd partisan
as well as partisan honor
